You can see much more proofs at: <http://bit.ly/1Kg9Aq0>

Getting Gifts:

Obviously you have to do something to get these gifts; Xpango has a system where you can get the gifts by collecting credits.

Example: To get **iPhone 6**, you need to collect 55 credits! These credits can be collected very easily.

You get credits by:

- Doing offers (playing free games, watching free videos, etc)
 - Referring people
 - Etc...

Getting credits is Extremely Easy; Let me teach you how to gain them.

Getting Credits:

1) Doing Offers:

Easily any one can get 5-10 points every hour simply by completing offers, it is the easiest way to get free credits. This means that you can get a iPhone 6 in 5-10 hours by doing offers. Simply click on the button "Complete offers" to start doing offers to get points. If you live in an English country then the offers will be EASIER!! 😊

2) Getting Referrals:

Although this one is harder than getting points by doing offers, but is definitely worth trying if you have previous experience in spreading referrals.

Ways to get Referrals:

- Social Media sites
- Forums/boards
- eBook sharing websites
- Signing up yourself (using Tor)

Conclusion:

I hope you have enjoyed this eBook, if you have any questions then feel free to contact me. I personally got my free iPhone on my second day of using Xpango. I hope that you will also get your desired gift as soon as possible.
