What is MonsterProfit?

MonsterProfit is a method that will help us to earn \$50 day atleast, its not Auto pilot and here is where we'll see the people that really want to win money and the other people that is lazy and will not use this. The method is about creating accounts and refer them, but the trick is that we'll be **OUR OWN REFERRALS**

We'll be using a website called Yroo for this method (don't search the website on google you'll need to follow the steps in order to understand the process that we need to follow)

The hard part of this method is the process, you would be asking why, so well for this method we will need to create email accounts, but the fake generator emails does not work (atleast the ones I tried) so we'll need to create gmail accounts and when you have already created 50 gmail accounts you must be tired of the same, but it gives guaranteed money so if you're really looking for money this will be no problem for you.

SCROLL DOWN TO START THE METHOD

>>>> Click **here** to join Cashcrate <<<<
OR

Go here:<http://bit.ly/1cJsMzt>

Well Yroo provides up to 100.000 points for every chest per referral (there are other types of chests too) so in one day as minimum you'll be able to get up to 40.000 points which is \$38 if you redeem it (if you're lazy forget this method because if you don't want to work you'll earn \$0).

That's Approx \$300-\$400 *weekly as minimum*

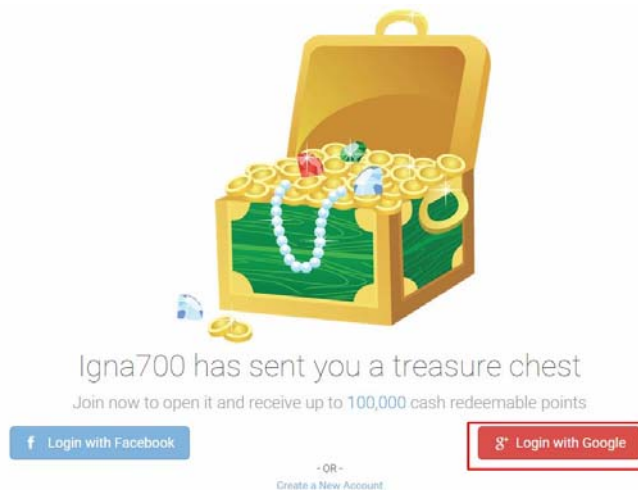

Sounds**Good**? Scroll Down!

Method:

Making *funny & easy* 40\$/day with **MonsterProfit!**

Step 1:

Sign Up to Yroo [here](#) and Log In with your Google/Gmail main account

Step 2:

Once you're signed up and you have **confirmed your email verification** open your chests (you can open the chests when you want but its important that you don't forget to verify every account you make, because you'll not receive the chests if you don't verify the account).

Step 3:

Once you have your **profile verified** download ToR Browser [here](#) (you can use Mozilla with a Proxy like Hola but I prefer ToR Browser)

Step 4:

Then create a **new** Gmail account (click [here](#) to be redirected to the Gmail signup website)

Step 5:

Once you have your new Gmail account created go to your **main Yroo account** and **copy your referral link** (you'll need to click on **Friends –**

Invite Friends Send treasure and earn ×

Please don't spam everyone you know with your invite link. If a message you send is reported as spam, **your yroo account may be deactivated.**

Send your friends a treasure chest to:

- Receive a **large treasure chest** worth up to **100,000** points for each friend who joins
- Earn **10,000** points when they make their first purchase
- Get **3.0%** of their shopping rewards on **every purchase** as bonus points

Use social networks:

OR

Use this personalized invitation URL in an email or on any website:

Step 6:

Then head to your ToR Browser and open your referral link there and click on [create a new account](#) (and you'll enter the information of your new Gmail/Google account)

Step 7:

Once you have logged in through your main yroo account referral link with the new account **DON'T FORGET TO VERIFY YOUR ACCOUNT ON YOUR NEW GMAIL ACCOUNT OTHERWISE YOU'LL NOT RECEIVE ANY CHEST UNTIL YOU DON'T VERIFY THE ACCOUNT, THE VERIFY EMAIL RECEIVE DURATION COULD BE SOMETIMES LARGE SO I RECOMMEND TO FIRST CREATE A LOT OF ACCOUNTS AND LATER VERIFY THEM ALL**

Step 8:

Repeat the process creating new accounts and using the main Yroo referral link and verify the new accounts to receive the chests, then after hours of creating new Gmail/Yroo accounts open all the chests and redeem your points for PayPal money.

Isn't this *insane*?

**Good luck with the above
method, we're moving on**

Method #2

Minecraft revenue

This is another method I have planned out for you guys.

Let me introduce you to my money making method. This has been tested several of times and worked every single time. Why? Of course, there's a catch in every method, but in this it's something that you have been avoiding all the time. Don't get me wrong, you wasn't avoiding it because it doesn't work, but because you didn't see this method yet. It's fresh to the market and only a few people may have heard about it. You will see that what I'm saying is true as soon as you jump into this method so without further ado, let's start doing it.

Even a total newbie can do this method, no matter where you live and no matter of your internet marketing skills. This is why this method has amazing potential.

METHOD BEGINS HERE

In this method we will be promoting Minecraft servers for money and basically re-selling promotes for higher price.

For this method to do work successfully. You will need to find a minecraft server first and get in touch with the administrator. You can do so by going to the following links:

<http://minecraftservers.org>
<http://www.gametracker.com/search/minecraft>
<http://minecraft.server.list.com/>

Aim for servers that do not have a lot of players or maybe try even the ones with large amount of players (owners of those tend to have money, therefore ready to spend more money to make their server more popular.)

Approach their owners like a businessman, don't force them to do anything, be kind and act in professional manner.

Here's something you can write to them if you're sending an email:

"Hello there, my name is xxxx and if you're interested, I can make your server popular in short amount of time. I have popular social networks to share your server on so you won't have to worry about traffic anymore, your server will become even more famous, therefore maximizing your profit from it. I usually don't go so slow, but I can do this all for only \$30. I will be more than happy to work with you so if you're interested let me know in reply."

Possibilities are endless, you can even write something and look even more professional.

Now, when you find a potential buyer, all you need to do is head to fiverr. Right here

<https://www.fiverr.com/categories/online-marketing/website-traffic>

You can get tons of traffic on specific website for only 45 . Imagine what profit would be if you could find several owners per day looking to spend ever more than \$30 on traffic while you invested only \$5!

**THIS METHOD IS NOW
COMPLETED**

**MOVING ONTO THE NEXT
ONE.....**

METHOD 3

Autopilot

LET'S START:

This method works, Guaranteed! Guaranteed profit (\$50 your first day, and 300\$+ daily afterwards) -No investment required -100% Auto-pilot -Only a 5 minutes setup
-Easy to understand -Newbie Friendly -It is the only method that works.

Step 1: Firstly signup [here](http://goo.gl/hDZEK0) (<http://goo.gl/hDZEK0>), this website Pays 0.25\$ if anyone does a free signup at your referral link.

Step 2: Download this MS Word Document from [here](http://goo.gl/1z9xQU) (<http://goo.gl/1z9xQU>)

Step 3: Replace the referral link in that .doc file with your referral link.

Step 4: The best way now to spread our referral link is through distributing this eBook for free. Do not worry you not have to manually send this eBook to anyone.

Step 5: Have you ever heard of www.scribd.com?

Basically [scribd.com](http://www.scribd.com) is a website that allows people to share and download e-books for free. Make sure that you upload the eBook with your referral link here. You will gain like 30-100 downloads daily if you upload the eBook with your referral here.

Step 6: Another good website is www.slideshare.net. Slideshare allows you to upload power point presentations. Open up your Microsoft PowerPoint and paste all of the e-book information onto PowerPoint presentations. Save the presentations and upload them on Slideshare. You will get like 30-100 downloads daily if you upload the eBook with your referral here.

Step 7: A list of websites where you can share free eBooks can be found [here](http://goo.gl/bG1xGi) (<http://goo.gl/bG1xGi>). Upload the eBook in as much as sites as you can

Step 8: Doing this you will start getting like 3000-5000 or even more downloads daily to your eBook, and like 1000-4000 of the downloaders will join your referral. This will make you like 250\$-1000\$ daily (You will make more money if you use more time to setup this Auto-Pilot)

Step 9: Sit back and watch your money rolling.

Step 10: Post the payment proof at the thread from where you got this eBook.

METHOD 3 NOW COMPLETED

Before we start, read this:

There are a couple of things I want to touch on. My refund policy, I feel, is very clear. Simply put, use the system for 90 days, and if you don't make any money with it, I will refund your purchase price.

So, to add a little more clarification, the refund policy does not apply to the following:

- ☐ Buyer's remorse
- ☐ Tire kickers
- ☐ Or any skeptical response.

I honor this refund policy once the following criteria's are met, meaning:

- ☐ 90 days have passed
- ☐ The method has been used
- ☐ And no money has been made using the system.

When requesting a refund, please confirm that you have met the above criteria. If you have, then please contact me over skype.

It is also my policy that any disputes filed with PayPal are immediately escalated to a claim. The reason for this is pretty simple, I am in business to help you, but I also have to take a position to protect myself. Because my products are a digital download and an off-ebay product, they are not covered under buyer or seller protection. Once escalated to a claim, PayPal closes the case in favor of the seller within minutes.

Disputes that have been escalated to a claim have an adverse effect on everyone involved. ***I have been forced to adopt this policy for one reason – to prevent fraudulent refunds from occurring.***

Please contact me if you have any issue. We are here to help. Pretty, straightforward. In the mean time, I promise you that in the next 90 days, if you follow the method outlined in this e-book, you will make so much money it will blow your mind! So enjoy the King Profit and as I said before, if you have any questions or need help to get started then e-mail me or send me a message. I am here to help.

Warmest Regards, 'Chief

Let's start with method

Before we start this method, there are few requirements:

- ☐ Ebay/Amazon account (Can be new)
- ☐ Verified Paypal
- ☐ Acceptable English grammar

If you have all that, you're ready to earn TONS of cash.

Step #1

- Create an Amazon account

- Make a small purchase (no matter what price) – [CLICK HERE](#)

- Once you've done that, locate to [this site](#) and register

How AMZ Review Trader Works

Reviewer applies to a product offer

Apply to review one of our exclusive product offers.

Merchant approves reviewer

The merchant approves reviewers application and sends them a coupon code for a Big discount on their product.

Reviewer receives a Great Product

The reviewer gets a great product at a huge discount.

Merchant gets a valuable review

The merchant gets a valuable review for their product which boosts its rankings and sales in Amazon.

- Start browsing the products and sort them by lowest prices.

Now click on review now and you should get an email when you're accepted for review and you will receive promo code to get this item for FREE.

Before you start:

You will need to connect your Amazon account to this site:

Step #2

- Create an Ebay account (where you will sell the product)
<https://reg.ebay.com/reg/PartialReg?ru=>

- Create a listing

You should create a listing that matches product you've obtained for free, if you need any help with creating listing, let me know.

- Shipping item

Once someone buys your product, all you have to do is ship it to buyer's address.

Bonus Method!

This method is a bit similar to the method above but I would say you can make pretty decent income from this. I have used this method for a few months now and I already made a couple hundred which it only requires about 5-10 mins per day and you can get up to \$10 per day. What you are basically going to do is write amazon reviews for companies that require some assistance like positive or unbiased reviews. Where do you find people who need these reviews? Numerous companies require this service and they actually do pay you for offering them it. I have found a person on skype who made a specific "Amazon Review Group" that's dedicated to help companies out which in return you get paid. If you are interested in participating in the Amazon Review group, add live:zakhargazizov which he will explain how everything works and how you can get paid for writing simple reviews on Amazon. On a sidenote, you must have atleast ONE purchase on Amazon in order to fulfill this criteria since that's what Amazon requires you in order to write a review.

Warning:

You will HAVE to review product you received, don't be an ass and ignore because it won't be good for you.

This method cannot be saturated and will always work because:

- ☐ People are posting offers on that site daily
- ☐ People will always need Amazon reviews

I hope you're glad with your purchase and if you need any questions whatsoever, feel free to contact me.

Congratulations, you have now finished MonsterProfit. If you have any questions or concerns, contact me through HF or simply post on my thread
