# Introduction

You made the right decision in buying this package. All information in this eBook is written from the knowledge of experienced PPD earners. This eBook includes information regarding how to set up PPD, finding a good, unsaturated niche and promote it on YouTube or by using other sites. There will be certain tricks and twists used in the eBook not shown anywhere and are only used by Legendary Earners.

This is not a theory. Judge it as one and you will never succeed. Everything that is written has been tested by many experts and confirmed working.

PPD KILLER

PPD KILLER is the best package, monetizing eBook available on the market now and forever will be. Thank you for purchasing this eBook and we are certain you won't be disappointed!

Before I started, I like to tell you that, this part of the eBook is public information containing extra tricks and tips and wasn't priced when you bought this package. All of the contents used in this package are priced except this part, so please do not be offended if you think you made a bad investment.

This is the most basic part of the package.

I am sure most of you know what PPD is but in-case this eBook is bought by beginners, I will explain the concept and how you can make money using PPD.

What is PPD ?

Paid Per Download (also known as PPD) is an online monetizing technique used by millions of people. This techniques involves valuable content being uploaded to a " Paid Per Download " network. When this valuable content is downloaded by a user, the uploader will be paid a sum of money for that download. Users who wants to download these valuable content must first complete a task given by the " Paid Per Download " network before given access to the valuable content.

I won't go any further into this but this is how you will earn money using PPD.

The most important part about PPD is the niche. The niche is the content you are promoting. You want to promote something that is sought out by others but are not saturated or competitive.

1) Join a PPD network

2) [Most Important]Find a good niche (refer to my Niches method eBook)

3) Promote your niche using Youtube,Pastebin.. Please refer to the Bok1ca folder for more information and Youtube Ranking System Folder to learn how to achieve the #1 position on YouTube for your niche.

4) Read **PPD Mentality** to learn how to boost your conversion rates 100% higher.

5) Start earning money.

   Don't worry if you are confused. This is pretty basic information. The most important part about PPD is YouTube SEO and **Finding a good Niche**. If you have a good niche, you won't even have to do YouTube.

   Still confused?

   Contact me on HF and I can answer all of your questions.

NOTE: There are a lot of awesome bonuses available and we will make sure to add more. We will add more until our bonuses reach $500. Please make sure to check out for any updates regarding this package and bonuses.

Feel free to PM me anytime on HF if you don't get anything. I will gladly show you how to set up everything.

Extra Bonuses(Not included):

Iff you give me a good vouch on my thread, I will send you a random 20 unsaturated Niches from my 500 unsaturated niches pack.

http://www.hackforums.net/showthread.php?tid=3482107

It must be a good vouch and you must say you bought this package. If it is good, I may even add a $50 extra package for free.
