LET'S START:-

Step 1: Firstly signup ,[here](#) this website Pays **0.25\$** if anyone does a *free* signup at your referral link.

Step 2: Download Tor Browser from [here](#)

Step 3: Open your referral link form that website and paste it in Tor browser.

Step 4: Register yourself.

Step 4.1: You can use [fakenamegenerator.com](#) to get names. And you can use [fakemailgenerator.com](#) to verify your email.

Step 4.2: Once done with verification move to the next step.

Step 5: Click on the onion icon on the left side of the tor browser.

Step 6: Select "New Identity".

Step 7: Loop this process.

Step 8: If you make one account on your referral every minute this means that you can easily make 25\$ every hour :)

Step 9: Enjoy the *easy money*!

Good Luck!
